

„Go Bag“ for Emergency Evacuations

Choose a bag

Create an
evacuation to-do
list

Add essential
supplies to help you
get by for a few days

non-perishable food

a flashlight

clothes

a first-aid kit

water

batteries

Scan all your important documents

- Passports

- Medical records

- Driver's license

- The deed to your house

- Your will and/or trust

- Proof of insurance

- Social security cards

- Birth certificates

- A list of personal contacts with
their addresses and phone numbers

- Your kids' immunization records

- Your pet's paperwork for
vaccinations and medical history

Store these photos on
a cloud server, and
back them up on a
flash drive

Take photos of all the
rooms in your home, along
with all your valuables
