Let me think about that for a minute.

That's tricky... I've never been asked that before.

Give me a moment to think about how to explain that in English!

I'm not sure! Give me a second to think about it.

That's an interesting question, let me think...

I need some time to think about that.

Does anyone else have an answer ready?

I've never thought about that before. What about you?

That's tricky... I've never been asked a question like that before. What do you think?

What's your take?

What are your thoughts?

You don't know what to say

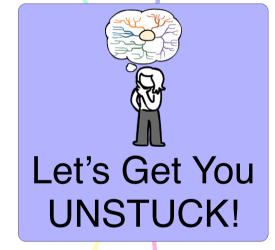

You don't understand

I'm sorry, I didn't catch that.

I'm sorry. I'm not following you.

Could you repeat what you said?

I don't think I understood your question. Can you repeat that?

Am I making sense?

I don't think I'm being very clear, am I? Let's try that again.

Sorry I think I'm confusing you. What I'm trying to say is...

They don't understand you

You forget

What's that word again?

It's on the tip of my tongue.

I'm sorry, I've had a mental blank. I can't remember the word in English.

I have no idea how to say this in English! Maybe you can help me if I explain what I'm trying to say.

That's so annoying. Nevermind..

Let's move on.

Hang on. Let me start over! Let me try that again.

Oh man! I completely lost my train of thought there..

I'm so sorry, I've completely forgotten what I was talking about. Hopefully, it'll come back to me in a few moments.
